2021 Strategic Update
Adelante

Greetings <<First Name>>,

We hope you can join us for Centro Hispano of Dane County's Annual Strategic Update – *Adelante* which will be held online Thursday May 20th from 9am – 10am.

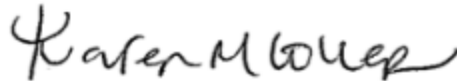

The Strategic Update at Centro Hispano of Dane County (Centro) has been a tradition for almost ten years. In 2020, the event was moved online to preserve the safety of staff and community during the COVID-19 pandemic. This year, Centro has decided to hold the event online again to preserve the safety of the community. **And, for the first time in its history, the event will be open to the public.** The decision to open the event to the public stemmed from the fact that Centro's staff and leadership wanted to make sure the event is inclusive and accessible to anyone who wants to be part of Centro, and its future.

To register for Centro's Annual Strategic Update, please visit the [event website page](#) and complete the registration form.

Registration is limited so please consider registering early to guarantee your spot. Login information will be sent to you via email closer to the event date.

We look forward to seeing you soon,

Karen Menendez Coller
Executive Director
**Centro Hispano of Dane
County**
