Dear Friend of Centro Hispano of Dane County,

Centro Hispano of Dane County is excited to be celebrating 38 years of service in meeting the needs of our area’s growing Latino Community. Centro’s mission is to improve the quality of life for Latinos and others living in Dane County by empowering youth, strengthening families, and engaging the community.

At no other time has your support been more important. Please stand with our community into 2022 and beyond by hosting a Giveback Day for Centro at your business this year.

These are challenging and uncertain times. Particularly for those of us concerned and committed to the needs of Latinos in our community and in our country. This means the programs and services that we offer are more valuable than ever before, that your investment in our mission is more meaningful than it has ever been.

Together, we can offer a safe space and support both in person and virtually to the individuals in our community. Together, we can extend the valuable services, resources and programs that Centro offers to enhance the lives of our children and families. Together, we can commit to continuing the work we do day in and day out to make each of their dreams a reality.

By hosting a Giveback Day for Centro at your business, and donating a percentage of your sales to Centro, you will be making a tax deductible contribution that will help Centro continue to pursue its vision of creating a space where families can aspire upward, to reach their personal goals and dreams because they feel engaged and strengthened with the tools for success. Additionally, you will benefit from exposure of your company’s name in our social media (10,000+ followers), on our website, in our e-newsletter (2,000+ subscribers) and in our annual report.

We thank you for considering our request and are hopeful that you will be able to support our work in 2022 and beyond.

Mil gracias,

Karen Menendez Coller
Executive Director, Centro Hispano of Dane County

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in March 1984 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.
